

UMPIRE:

Skill(s)	<u>January 10th</u>	<u>January 17th</u>	<u>January 24th</u>	<u>January 31st</u>	<u>February 7th</u>	<u>February 15th</u>	Requirement Met
Overall Knowledge							
Demonstrates an understanding of the definitions / key words used throughout training							Yes No
Demonstrates an understanding of the Safe mechanic							Yes No
Demonstrates an understanding of the Sell Safe mechanic							Yes No
Demonstrates an understanding of the Out mechanic							Yes No
Demonstrates an understanding of the Sell Out mechanic							Yes No
Demonstrates an understanding of the Dead Ball / Foul Ball mechanic							Yes No
Demonstrates an understanding of the Fair Ball mechanic							Yes No
Demonstrates an understanding of the mechanic for giving the count							Yes No
Demonstrates an understanding of the foul tip mechanic							Yes No
Demonstrates an understanding of the Delayed Dead Ball mechanic							Yes No
Demonstrates an understanding of the Strike 3 mechanic							Yes No
Demonstrates an understanding of the mechanic for requesting help on a check swing							Yes No
Demonstrates an understanding of the mechanic to signal Infield Fly is ON/OFF							Yes No
Demonstrates an understanding of the Pre-Game Plate Meeting for all divisions they qualify for							Yes No
Demonstrates an understanding of the Plate position mechanics (heel/toe, etc.) for both left and right batters							Yes No
Demonstrates an understanding of the timing of calling a pitch							Yes No
Demonstrates an understanding of working the slot							Yes No
Demonstrates an understanding of stepping into the Plate position and resetting between each pitch							Yes No

Demonstrates an understanding of when to lower into the set position on each pitch							Yes No
Demonstrates an understanding of what GPA is and how to achieve it							Yes No
Demonstrates an understanding of where the strike zone is and where they should set their eyes to best see the pitch							Yes No
Demonstrates an understanding of the difference when calling strikes and balls							Yes No
Demonstrates an understanding of when the count should be given during an at bat							Yes No
Demonstrates an understanding of removing the face mask with the left hand							Yes No
Demonstrates an understanding of clearing to the left of the catcher							Yes No
Demonstrates an understanding of where to trail to based on where runners are on the bases							Yes No
Demonstrates an understanding of where the holding zone is and when to be positioned there							Yes No
Demonstrates an understanding of the Inside / Out theory							Yes No
Demonstrates an understanding of where to stand when in Position 1							Yes No
Demonstrates an understanding of walking the line on each pitch							Yes No
Demonstrates an understanding of how to get the proper position for calling a play at first base from Position 1 based on							Yes No
Demonstrates an understanding of how to get the proper position for calling a play at second base from Position 1 based on							Yes No
Demonstrates an understanding of how to get the proper position for calling a play at third base from Position 1 based on							Yes No
Demonstrates an understanding of when to move into Position 2							Yes No
Demonstrates an understanding of how to get the proper position for calling a play at first base from Position 2 based on							Yes No
Demonstrates an understanding of how to get the proper position for calling a play at second base from Position 2 based on							Yes No
Demonstrates an understanding of how to get the proper position for calling a play at third base from Position 2 based on							Yes No
Demonstrates an understanding of when to move into Position 3							Yes No

Demonstrates an understanding of how to get the proper position for calling a play at first base from Position 3 based on							Yes No
Demonstrates an understanding of how to get the proper position for calling a play at second base from Position 3 based							Yes No
Demonstrates an understanding of how to get the proper position for calling a play at third base from Position 3 based on							Yes No
Demonstrates an understanding of performing a buttonhook							Yes No
Demonstrates an understanding of how to get into proper position to call a stolen base from any Position							Yes No
Demonstrates an understanding of how to get into proper position for a "back pick" play at any base from any Position							Yes No
Demonstrates an understanding of how to get into proper position to call a double play originating from any position							Yes No
Demonstrates an understanding of when a play is considered a force or tag play							Yes No
Demonstrates an understanding of how to call a tag play							Yes No
Demonstrates an understanding of what the 4 elements of a play are (Ball, Base, Offense, Defense)							Yes No
Demonstrates an understanding of how to request a manager communicates with them							Yes No
Demonstrates an understanding of the importance of body language & tone when communicating with others (managers,							Yes No
Demonstrates an understanding of when Managers Choice should be applied							Yes No
Demonstrates an understanding of how to apply Managers Choice							Yes No
Demonstrates an understanding of the 6 elements of pitching							Yes No
Demonstrates an understanding of common illegal pitches							Yes No
Demonstrates an understanding of how to call an illegal pitch							Yes No
Demonstrates an understanding of how to enforce an illegal pitch							Yes No
Demonstrates an understanding of batting out of order							Yes No
Demonstrates an understanding of when an out is enforced for batting out of order							Yes No

6u Division						
Demonstrates the understanding that they are the one responsible for placing the ball on the tee						Yes No
Demonstrates an understanding of where to stand for a right and left handed batter						Yes No
Demonstrates the understanding on how to ensure their safety when placing the ball on the tee by holding the bat						Yes No
Demonstrates the understanding of what the arc in front of the plate signifies						Yes No
Demonstrates the understanding that they must enforce any out calls on the bases						Yes No
Demonstrates the understanding of the coach pitch rule						Yes No
Demonstrates the understanding that each team bats the lineup each half-inning rather than reaching 3 outs						Yes No
8u Division						
Demonstrates a clear understanding of the pitching rule						Yes No
Demonstrates the understanding on how many bases can be advanced and when on a hit ball						Yes No
Demonstrates the understanding of the purpose of the infield/outfield line						Yes No
Demonstrates the understanding of when and how to send runners back to the previous base						Yes No
Demonstrates the understanding that runners advance at their own risk and may be thrown out if advancing when they are not						Yes No
Demonstrates the understanding that any pitch not resulting in a batted ball is considered a dead ball and cannot result in a play						Yes No
Demonstrates the understanding of the hit by pitch rule						Yes No
Demonstrates the understanding of what ends each half-inning						Yes No
10u and Up						
Demonstrates the understanding of the stealing rule						Yes No
Demonstrates the understanding of the difference between a pitch and an overthrow in regards to a stolen base						Yes No
Demonstrates the understanding of the “rabbit rule”						Yes No

Demonstrates the understanding of what a drop 3rd strike is a stolen base							Yes No
